

## MUNICIPAL INTERCEPT SERVICES

An Alabama League of Municipalities Program

---

**Does your municipality have old delinquent debts you thought you could never collect?**

**Have all traditional debt collection attempts failed?**

---

Municipal Intercept Services (MIS) has recovered **\$10 million** over the past five years and can help YOU at **ZERO cost** to your municipal entity!

**MIS is NOT a debt collection service or agency.** Instead, the program allows participating municipal entities to intercept an individual's Alabama state tax refund to pay debts owed.

**Best of all: MIS is a FREE SERVICE!**

For more information on Alabama's **ONLY** state tax refund municipal debt recovery program, visit **[www.alintercept.org](http://www.alintercept.org)** or call **1-334-262-2566**.
